MAYKU MULTIPLIER

Expand your lab's potential and boost efficiency with the large-format pressure former from Mayku.

Price: $11,999

20x faster and 10x cheaper.

Form up to 20 appliances at once with our large-format pressure former.

Unlimited, customisable, material profiles enables reliable, repeatable results.

In-built heat sensor means your material is always heated to the perfect temperature.

Auto-leveling system eliminates drooping and reduces thinning without manual supervision.

Save money with our large 428mm materials; Just PETG and Just EVA.

Regular firmware updates ensure you're always benefiting from our latest innovation.

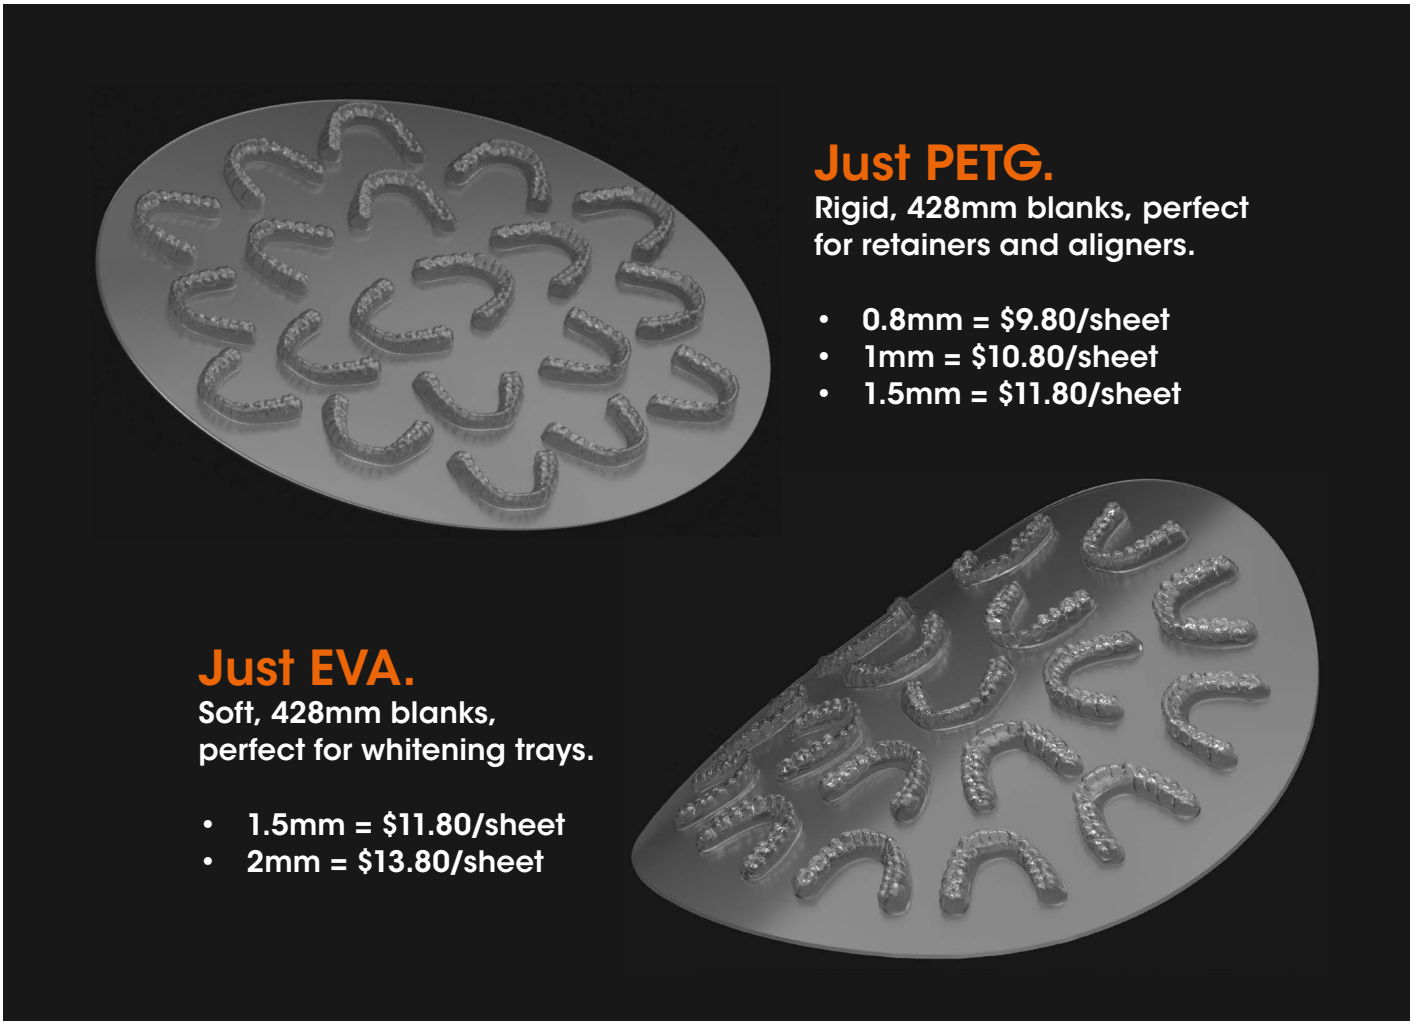

Key features:
Large 380mm safe forming area
In-built compressor eliminates the need for external air systems
Up to 60 psi (4 Bar) of forming pressure

Cycle time:
Retainers/Aligners/Whitening trays (Just PETG): ~5 mins
Up to 7 appliances per cycle with 7 shot reducing plate
Up to 20 appliances per cycle with 428mm blanks

Mouth Guards/Night Guards (Just EVA): ~7 mins
Up to 7 appliances per cycle with 7 shot reducing plate
Up to 20 appliances per cycle with 428mm blanks

Technical data:
Input: 110-240V, 12A/6A (Single Phase)
Max power: 1500W
Maximum pressure: 4.1 bar/60 psi (Dome), 12 Bar/175 psi (Tank)
Frequency: 2.4GHz
Operating / storage temperature: +5 to +40°C
Connectivity: WiFi

Dimensions:
Unboxed: 585mm (L) x 515mm (W) x 420mm (H)
Weight: 57kg (125lbs)
Boxed: 700mm (L) x 700mm (W) x 640mm (H)
Weight: 67.5kg (149lbs)

"We'll be around for a long time as long as we keep growing, and we keep innovating."

— George Wheeler, Lab Manager at Bridge Dental Laboratory

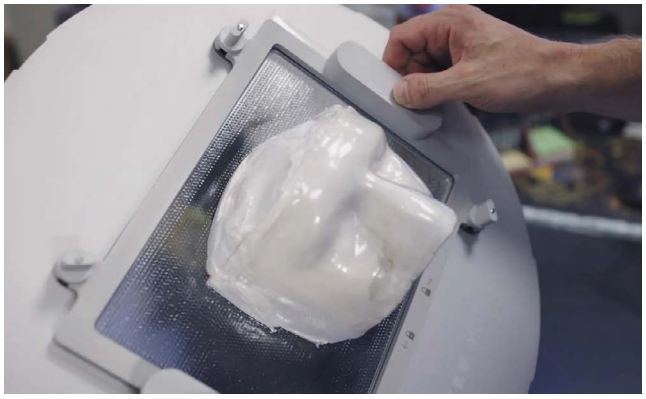

Watch the video

"I was looking for alternatives thinking I was going to have to buy some big industrial piece of equipment and I came across the Mayku stuff and I was like "oh my gosh this is going to be perfect"."

— Dr. Batesole, Beach Town Braces

Watch the video

"Time, money, job satisfaction, and being able to do other things - it would be silly not to buy it, and the hospital saw that as well."

— Mark Jagger, Maxillofacial Prosthetist at James Cook Hospital

Watch the video

"Our technician's dreams come true!"

— Janine Cerbu, Co-owner of George Szekely Dental Laboratory
